Botley's Hidden Features!

Enter these sequences on my remote programmer to access my fun hidden features!
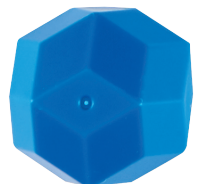

Hi, I'm Botley, the code to fun!

I love helping kids grow their coding skills in a friendly way, but I also love performing secret tricks, too!

Forward, Forward, Left, Left, Forward.
Then press Transmit. I'll say my name!

Forward, Forward, Right, Right, Back, Back, Back.
Then press Transmit. I'll give a cheer!

Press Back 6 times.
Then press Transmit. I'll let everyone know I'm backing up!

Left, Left, Right, Right.
Then press Transmit. I'll say "wheee!"

Forward, Forward, Back, Back, Left, Right, Left, Right.
Then press Transmit. Ta-da! I'll learn 40 extra steps!
